Wisdom..."it does not require many words to speak the truth."

Chief Joseph, Nez Perce

The truth shall set you free. This is the truth. When we speak the Truth, we do not need to be defensive. Truth needs no defense. When we speak the Truth, we do not need to attack because Truth cannot be attacked. It is so easy to want to manipulate or to be deceitful or dishonest. My head tells me I can get away with doing these things, after all everybody does it.

My Creator, today let me know Truth. Let me live Truth. Let me risk the Truth. Let me make the Truth sweet. Help me to make my word good. Let Your spirit and intent be added to by words. Let My thoughts be Truth.

INDIAN VILLAGE CAMP 2015

Last 2015 session - August 7-9

Three Days and Two Nights: "Cultural Teachings and Wilderness Living Immersion Camp"

All Tribes are Welcome!

Between meals are organized activities. There are hardly ever any down times when there is not a scheduled activity. Scheduled activities are secondary to group dynamics and the situational need for talking circles, conflict resolution or personal human situations that always occur without planning. Talking Circle Communication takes precedent over the need to present crafts or disseminate educational information. All activities have several layers of importance, the skill itself, the networking of the group through peer interaction, the philosophy of the activity, and how it applies to the real world and to their real lives.

ELIGIBILITY: Male and Female: Ages 12-17

Parent or Guardian must apply for the youth participant to be approved to attend the camp. Application forms are available from the Peace-making Probation Department of the Little River Band of Ottawa Indians. This is a rustic wilderness camp. Youth must be physically able to participate in normal camping type activities and be in good health. Exceptions for disabilities or injuries can be made with approval. Violent or sex offender youth are prohibited from attending this camp for the safety of other participants.

Indian Village Campground

The camp is designed for: Tribal Member Youth, Tribal Descendants and Traditionally Recognized Non-Members (Members of the family who are directly related to tribal member/s, such as by marriage, adoption, or other justifiable circumstance, or are a recognized part of a tribal community even if not by blood, etc.) We also extend the eligibility to include descendants and members from other tribes.

ACTIVITIES THAT ARE PRESENTED INCLUDE

FIRE: Bow Drill Fire-making, Demonstrations of alternate methods of Fire-making such as flint and steel and using magnesium shavings, using a lens to make fire, piston fire, fire tinder like birch bark and cedar bark, collecting proper kinds of wood, how to maintain a fire, different uses of a fire such as utility fire and sacred fire. All participants are asked to collect firewood and at different times to be a fire-keeper.

CLAY: Different clay projects include pinch and coil pottery, animal fetishes, beads, amulets or wall hangings, Traditional pottery projects are pit fired to harden clay.

BEADWORK: Different types of beadwork projects are presented, lazy stitch and appliqué. Sometimes beadwork is used to decorate other projects.

LEATHERWORK: Personal medicine bundles or larger medicine carrying pouches are made and sewn together, sometimes with necklace or fringe attachments.

BIRCH BARK: Numerous birch bark projects are made including baskets, decorative rings, scratching winter bark designs, and tubular containers, making birch oil and how to collect birch materials.
